*for Parish Families and Friends...Spring Clean Up Day at St. John's.***

How can you teach your family about service? What can you do to help St. John's?

What better way to teach your child about community service or for you to meet other parishioners than to work side by side with family and other parishioners to take care of our church. Come join the Building & Grounds Committee, Jeannie McCabe with the church's youth and families, and a group of UAFS students.

We will be raking leaves, weeding flower beds, picking up trash, washing windows, trimming bushes, sweeping outside and inside, dusting, washing windows, cleaning the fish pond and the garden area. Whether you come for one hour or two hours or three hours, your help will be greatly appreciated and you will feel so good!! MANY hands make light the work and twice the fun when you get to work alongside a new (or long-term) friend!!
